

DIVINE HEALING

I am now aware of the Divine consciousness that pervades my whole being which gives me the awareness that I am no longer limited by time and space.

I am pure spirit, imprinted with the Divine Image and Likeness of God.

I am a soul within a body that is subject to Universal perfect Laws.

I now set my Universal time clock to Eternal Youth, Life energy and Power, and I am free of the pull of Gravity, age, sickness and Death.

Every cell of my being is impregnated with the Divine energy of perfection.

I shall keep myself vital and young and able to fulfil my Life's work perfectly.

My soul is in the Eternal springtime of Life and I shall live forever in God's Lifetime which is eternity.

By David B Duggan.

The New Zealand Society of Dowsing & Radionics Inc, was founded in late 1949, early 1950. There were four founding members, Fred England, Frank Danks, Jack Danks, Herbert George and Dave Duggan. Dave is believed to have lived 89 years of age, passed away 25 December 1986. Dave was self-taught and was interested in Magnetic Healing, he purchased an existing business by the name of Stevens Health Centre which was located at the bottom of Queen Street, Auckland where he worked for many years. This address was also the weekly meeting place for the dowsing Group. There are still people around who bemoan the passing of Dave. His talents were all encompassing, as the words quoted above, show.
